

SAIMA BIBI

Web Developer | JavaScript & React

+92 343 1504164 @awansaima234@gmail.com [Github](#) [Portfolio](#) Islamabad, Pakistan

SUMMARY

I am a creative and detail-oriented Web Developer with expertise in building responsive, user-friendly interfaces using JavaScript and React. I have a passion for transforming complex problems into elegant web solutions and improving front-end performance. My background in HTML, CSS, Tailwind, and Git, along with a strong foundation in C++, allows me to focus on delivering high-quality, maintainable code
